## Customer Reviews

I had to admit, it was nice to see Carole finally made to atone for all the neglect of her horse, not to mention cheating. She and Stevie Lake are grounded, Stevie because of throwing the party in the last book that got out of hand. Still, she is allowed to ride, and what is supposed to be a great day with her boyfriend and their friend, A.J., turns into a dangerous situation, this time with horses added

to the mix. This book definitely had more suspense than the last few.

This was a pretty good book. Stevie gets a day off being grounded, so she and Phil take AJ on a trail ride at Cross Country. While on the trail ride AJ had spiked his juice and was drinking it. He soon becomes very drunk, so while Stevie and Phil are talking about how to get him home he takes off on his horse, Crystal! Stevie and Phil follow him. When they find him he is in a very dangerous situation. Carole has to confess to her teacher and vice principal about cheating on a history test, and finds herself wishing she didn't cheat to begin with. I thought that this book was pretty good. It kept me on the edge of my seat, but, Ms. Bryant, it would have been a lot better if wrote about Stevie and Phil getting AJ back to the stable instead of leaving that part out. Also I am so sick of hearing about Lisa and Alex. I guess that 10 books of that would wear at anyone's nerves. Besides that this book was very exciting and well written. I wish that the next book comes out sooner! Pine Hollow Rules!

I loved this book as I love all of the Saddle Club and Pine Hollow series, It really stops and makes you think how delicate that life can be and how we all need someone that we can count on horse or people. Great job I want more

This book was really good, I love the PH series. Stevie gets a day off from her grounding so her, Phil and AJ go out on a trail ride. AJ spikes his own drink and gets drunk, he gallop off on his horse Crystal b4 Phil and Stevie can stop him..... Meanwhile Carole decides to confess to her teacher about cheating on her test, she prepares herself for the worst but her teacher thinks up something different. Carole is really upset when Samson leaves...THIS BOOK IS BRILLIANT < READ IT!!

I'm not saying what Carole did wasn't dumb but I can't believe Carole's dad grounding her from her job was a bit unnecessary.

hey bonnie i think this is a great series but i think it would be really cool if you made a tv series brought kate and christine back and maybe let mrs. reg come back for visits. o.k i think this is a really good idea so if you do make a series its that easy. thank you! your reader, alex S.

I thought this book was the one of the best one in the series. I can't wait for the next one in this series. My only complaint is that it had kind of a bad ending. Well it wasn't bad i guess i just wish it

didn't end! but other than that it was really good!

Like, hello! Who wouldn't love a story with the a mix of horses and riding with a dash of romance to spice it all up? And even if you know nothing on horses (or romance ;) )it's a great read! Just take a look yourself!
