A Cold Creek Baby (The Cowboys Of Cold Creek)

Synopsis

A cowboy, a baby and the woman who could save them both | She'd often dreamed about him coming back, with a baby in his arms. And now, Cisco del Norte is home. But the baby he carried can't possibly be theirs. Still, Easton Springhill got part of her wish. The man she never stopped loving is back, even for just a little while "with a serious injury, a beautiful baby girl and an explanation about them both that's as flimsy as his excuse for leaving years before. And after five long years of trying to forget him, Easton is faced with a choice: love him "and that little girl" while she has them, or save herself and get away while the getting is good. Because there's no way she'll be able to escape with her heart a second time | Originally published in 2010

Customer Reviews

Right from the very first page, this story drew me in and kept me captivated until the end. It was one heck of a wild emotional roller coaster, though, but one I wouldn't have missed for anything. It was one of the sweetest and the saddest books I've read in a very long time, but well worth the

read. I cried so much for all that were involved for Cisco who never quite felt like he was ever really loved or fit in, to Easton who had experienced more loss in her life than anyone her age should've experienced, to that sweet little Belle, who even after the loss of her parents still had such a sunny disposition. And ending was one of the best outcomes any reader could hope for. And yet, even though I was more than thrilled with the outcome of this story, I couldn't help but feel a just a tad bit sad for the Sheriff, too.

I liked everything about this story. The story was very well developed and I couldn't put it down...the ending was beautiful.

This book is one that will warm the heart as well as make you shed a few tears. It's really good.

This was a good story and, as usual, a happy ending for me. I will be reading more of your books.

This is a very good series that I recommend to all who like to read family or town sagas. Excellent work

Love RaeAnne Thayne - great read

The cold creek series is so hard to put down and this book was just as easy of a read.

Interesting story to keep the series going.
