I thought that I had either heard of or visited all of the quirky places within the State of West Virginia! Wow was I wrong! Most of my family comes from this wild wonderful State so I'm always reading books about traveling throughout the State. I would recommend this book to anyone who is looking for something different for a vacation or weekend getaway. With this book, you can plan to explore a section of the State and find those quaint and eccentric parts that make up Americana.
