Customer Reviews

It had some useful information and some outdated information. It is quite short and written in rather poor English. At most, it shouldn't cost more than a dollar.

good

Useful advice on how to get to Angeles and what happens there. An easily readable guide, wiit well orderd topics and the basic questions answered.

If you are seriously considering a trip to Angeles City, this book is worth the money. I found it informative but lacked a little in detail. All in all a good read.

Ho information here you can't find easily on the Internet.

very informative, a lot of good info about angeles city bar girls. Now I am ready to go to angeles city

A great place for white trailer park trash to have some fun. They can do what may have gotten them jail time back home. A sleazy city for sleazy guests.
