Books > Science, Nature & How It Works > Heavy Machinery

Age Range: 12 and up

Grade Level: 7 and up

Customer Reviews

Book by White, Steve D.

I was VERY disappointed in this book for the price, that I had to pay to get it. This is diffently a CHILDREN'S BOOK, not for the modeler (which I am a professional model maker) NOR the ship historian. This book may be finefor kids, but not worth the money for the serious ship fan. Look for something better.
