Best Sellers Rank: #1,169,980 in Books (See Top 100 in Books) #62 in [Books > Travel > Europe > Hungary > General](#)

Customer Reviews

A pleasurable read with ravishing photography plus maps and plans of supreme quality The Observer --This text refers to an out of print or unavailable edition of this title.

DK has and will be our 'gold standard' for foreign travel. We were primarily interested in Budapest and Szeged. Both were covered beautifully. The street by street guide was most helpful. The photos and descriptions of the areas we did not visit were great for giving us an oversight on this overlooked site. The two page 'phrase book' allowed us to navigate with natives who knew about as much English as we did the challenging Hungarian language.

How can that be? It is a detailed list of significant villages and cities in each part of Hungary. It has photographs which helps. It lists the population, location and significance of many, many cities, all listed according to the area of the country where it is located. It has superior information on hotels,

shopping, important sites. Better than the other ones I read by different companies.

Great book if you are planning visit Hungary! Useful information, a lot of pictures... I was found some articles about history of this wonderful country. Also, learning hungarian language is much easier using this book.

This is the best guide to Hungary I have seen so far. I will know more about the book after actually going there!

This book is great -- it has a lot of maps, pictures and advice. I found the book helpful in Budapest, but I also enjoyed reading it and looking at the pictures before and after the trip.

My home town book in English great one

We are planning to bicycle in Hungary this fall. "Eyewitness Travel Guide: Hungary" is a very good source of information for us with photos, maps, and background information. Highly recommended.

Used it Budapest once already, and will use it again when we go back to Hungary! Thanks! -
KÃfÂ¶szÃfÂ¶nÃfÂ¶m!
