This book was suggested by a friend as a gift to our library in memory of her mother. When it arrived I fell in love with it and felt it really captured the essence of Cape Cod in words and the beautiful watercolor illustrations. Since my family loves visiting the Cape, I knew I had to have a copy for ourselves and one for our best friends who have shared good times at the Cape with us. I plan to order more copies as gifts in the future. I would highly recommend this book for anyone who loves Cape Cod or wishes to introduce it to friends.

Having gone to the Cape on vacation since I was a child, this book really had such meaning for me, which was given to me by a friend on a college reunion at the Cape. I have even e-mailed the author about it, it touched me that much and she e-mailed back....very special! She really captures every single aspect of the Cape that I love. I truly recommend it to people who really have a passion

for Cape Cod!

Lovely sketches and prints to bring back memories of the Cape.

We live on Cape Cod and rent a cottage and bought this book for each of our guests. The book has all the characteristics of Cape Cod drawn in a quaint way. I just loved it!

A poetic, lovely memento of Cape Cod with exquisite illustrations that brought salty beach air memories into my heart in the middle of winter! Great gift idea for all Cape Cod lovers.
