Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Wonderful addition to my sacred piano solo collection. This corporation puts out some of the finest musical instruction books as well as solo materials.

Great! The arrangements are perfect for what I need.

Many pieces that were useable.

I love this book.

Great Songs. Just what I needed.

Like others in the series, this volume contains arrangements of both traditional hymns and more contemporary worship songs... most all tastefully arranged for intermediate level or advanced intermediate level, in a wide variety of styles... harmonies are often spiced with light dissonances, but in a way that brings a fresh interpretation to the melodies. I used some of the pieces immediately, and many others I have planned for our worship services in the coming weeks, for preludes and offertories (most of the arrangements under the "Postlude" heading can also be used as Preludes or even Offertories, especially if the hymn/song fits in with the scripture, theme, or sermon topic). I highly recommend the entire collection of 4 books, which is what I purchased. There's some wonderful, useable music in these books, in my opinion!

Bought all four of this series- perfect! Selections are interesting and fun to play. My congregation always likes them and will sing with me as I play.

Some repeated arrangements
