Best Sellers Rank: #4,197,112 in Books (See Top 100 in Books) #49 in [Books > Humor & Entertainment > Puzzles & Games > Card Games > Solitaire](#)

Customer Reviews

In addition to including all of the best and most frequently enjoyed games of solitaire - like Canfield, Klondike, patience- Authors Morehead and Mott-Smith have added a generous selection of brand-new games to the battle of wits against chance. Try your skill at Boomerang, Bristol, Sudden Death. --This text refers to the Paperback edition.

Albert Hodges Morehead, Jr. was a writer for "The New York Times", a bridge player, a lexicographer, an author, and editor of reference works. --This text refers to the Paperback edition.

I have just started to use it so far it has been a help.

Very good for an old book like this one. Hundreds of games to learn about in this book. The illustrations are understandable, but can take some time to study to figure out what the book is saying about the game. I recommend knowing how to play solitaire before learning the games in this book to be able to understand the book.

Quality of the paper/print isn't very good.

Perfect for our solitaire club where we learn to play the game chosen one week and then play that game for the rest of the month at our meeting. New month, new game. Book really shows games of the type we like.

If you have a deck of cards, some free time, and nobody to play with, give this book a try. It has rules and gameplay examples for Klondike as well as many other solitaire games and their variations. There are a lot of games packed in this book so it is worth the price.

Bought this book for my 13 year old granddaughter who was interested in learning how to play. I couldn't remember exactly how to lay out and play many of the games I had learned as a child but this book has easy to figure out layout designs and rules. It is the perfect book for people of all ages. Combined with a couple cute decks of cards will make a great stocking stuffer for her.

Grandson loved it. He plays solitaire a lot and said this will allow him to expand his range of different styles of playing the game.

This was a gift.
