# Watercolor Landscape (DK Art School)

## Synopsis

Turn the pages of *Watercolor Landscape* -- and discover an exciting art course that teaches you how to paint in this expressive, versatile medium. *Watercolor Landscape* is a practical guide to a wide range of watercolor techniques. More than 300 photographs guide the beginner through a series of exercises designed to teach all the essentials of watercolor landscape painting. Revealing projects focus on professional landscapes, shown in the making so novices can follow the creative process step-by-step. Unique gallery pages display works of watercolor masters --paintings that will instruct and inspire every student of the medium. Packed with specially commissioned artworks, clear instruction, and easy-to-follow exercises, the DK Art School offers ideal courses for "armchair" art students. The DK Art School series is a new way to learn, improve, or master drawing and painting skills. Carefully constructed courses ensure that you gain both the confidence and the know-how to create imaginative, beautiful pictures. With individual volumes on subjects like still life, portraiture, or landscape, in specific media such as oil, watercolor, or acrylic, The DK Art school series offers something for everyone, and builds into a unique collection of practical art books.

## Customer Reviews

Full of great tips. Some of the paintings could have been better, but good over all.

A nice book if one does not have others. Not enough depth in information and technique.

Very good step by step

This is a great series of books although I wish it contained more info and combined Landscape, ocean, buildings etc all together instead of separate like this but I guess that's just the way they chose to do it. It's still very informative!

this is an excellent book! It makes seemingly hard textures, forms and shapes, simple. It shows the colors and mediums you use. It makes it all so simple! I highly recomend this book for the watercolor landscape artist!
