As you can see in my image, the cover is made for you to write your names on it. It's a thin book, and is full of depth. What a rewarding process just filling it out for my sister. So many memories. There's also a spot in the back for some "favorite memory" photos. Throughout, you answer questions (journal style) about stuff like:- Words and phrases that come to mind when I think of you,

and- You understand.....- You never....- You're the only person in the world who...What a neat and meaningful gift.

It was awesome and made a wonderful surprise gift.

Oh, what an awesome book I have ever purchased! I picked it up last week for my sweet cousin. Actually, I don't have any sister and I love my cousin like my younger sister. So many times she helped me a lot and as a bother I needed to say something to say her and I found a way by giving her this gift. I am pretty sure she will understand our relation. If need to say about this book, then I would like to say a word "Awesome". I found it beautifully designed, user friendly and elegant. If you want to give your brother or sister something unique that what he/she can read again & again, then you are on the right place and this book will be a perfect choice no doubt.
