Customer Reviews

We have homeschooled our children for four years now and Prentice Hall is our stand out favorite of choice. The books are top notch quality and we are very happy with the education our children receive from Prentice Hall books. Very happy with our purchase!

Great book needed for school.

This textbook was recommended by my son's school. My son normally has a second set of textbook at home making it easy for him to study or do homework. The textbook I ordered from was exactly identical to the one recommended by the school and at an affordable price too. Thankyou .

This is just what my 15 year old needed.

Thank You

I got the book in 3 days! It was very helpful seeing as if I owed the school \$77 for this textbook & got it for \$14. Awesome!!

I like it

It took me weeks to find this book. Very good literature book for high school. Be sure to get the workbook that goes along with the text book.
