Wow can I just say WOW?! I'm so glad I got this. What an amazing deal and the characters just came alive in the pages! It was emotional but so hot. This was my first time reading this author and I promise it won't be my last. If you're looking for something to get your juices flowing and your heart pumping well come on get this boxed set and kick back with a box of tissues, your favorite drink and snacks because once you get on the Melissa and Derek ride you won't want to get off! You are gonna love how you feel like a part of the story. The details are amazing the stories so real feeling that you will definitely go with every mood change and feel it deep. I devoured this boxed set I started last night and finished it today and I'm still beyond impressed and of course wanting to see what the rest of the crew get up to and what else may be in store for us! Seriously deserves way more stars!! Phenomenal reads!!

One to Hold...I have read this book four times in the last year! If that doesn't tell you you should read it, I'm not sure what will. I love the story, the characters Melissa and Derek, and I love the hot sizzle between them! One to Protect...Continues the love story of Melissa and Derek. Derek tries to protect Melissa from things from her past she really should know. She believes she can't trust him because of it. Derek is a good guy with an alpha attitude and only wants to protect what's his, but he just gets in deeper and deeper. One to Save...is the true sacrifice of a man, Derek, who will lay it all on the line for Melissa. But in this book Derek is the one who needs saving and all the turmoil is gut wrenching. I rooted from the beginning for these two to make it and the last book I was on pins and needles. Good writing does this. You need to read this well written series.

Where do I even start with this amazingly explosive sexy series do Derek and Melissa Melissa to me is just so broken hearted after a terrible marriage and enters Derek and swoops in and saves her and bring the light back to her eyes Derek is oh so sexy and alpha male and I just loved his character he falls so deeply for Melissa as she does him but they both have secrets and when secrets are told what will happen? This is a must must MUST read series Derek and Melissa's book has EVERYTHING I love about a good amazing book And in their books we meet others in the series and fall for them Enjoy Thank you again Tia for Derek and Melissa
