God's Creative Power® Will Work For You

Synopsis

Your Words Have Power. God's Word is the most powerful thing in the universe today! You have authority to give voice to His Word. Many people have been defeated in life because they believed and spoke the wrong things. They have allowed the words of their own mouths to hold them in bondage. God created the universe by speaking it into existence. He has given that same ability to you in word form. To be effective in life you must speak words of faith. Every faith principle, every spiritual law, every promise of God was set forth for your growth. He designed His Word to put you over in life. Learn how you can release the ability of God by the words of your mouth. Fear-filled words will defeat you, but faith-filled words will put you over!

A friend gave me this book in @2006 at a company that I worked at. I was a new Believer and I was desperately seeking God. I wanted to know Him and I wanted power in my life! I spoke the confessions for 2 years before work and after work. I can give you a snippet of the past 7 years' of my life. My relationship with God is amazing! I still wake up excited to pray, read, confess and live

out this Word. I went from living in an apartment to building a home, closer relationships with my children, recovered from a divorce and bankruptcy to marrying again and a 6 figure income. I have a faithful, Godly husband and children that are honorable and respectful. I still have the original book my friend gave me (the cover fell off), I have a CD with the confessions and I have given away dozens and dozens of this book. It is a little book that you can carry in your back pocket or your purse full of scriptures. Can you get this from your Bible? Sure you can! Yet, will you? Mr. Capps takes the Word and puts it in "cappsules" and teaches you succinctly why it is so important to speak it out loud daily. I don't know...all I know is if you want more of God, if you want power, if you want to speak His Word and live in His fullness then you want to get this book!

Words of God created the Universe, earth and everything. The word of God became flesh in Jesus Christ, the Words of God will never Fail. The Word of God who is Jesus is the Life, the Truth and the only Way to Heaven. Go to Vatican, Holy Land and look at the scientific research of the Shroud of Turin, see the worst enemy tool, the tongue, the most sharp edged weapon of destruction used by Satan that can destroy the soul or the Most Creative Power given to us by God to protect us and bring us to Heaven because what we say from the product of our thoughts produced by either healthy or damaged brain, our body or flesh follows and do it to transform it to reality. Our passion is a product of our thoughts link to our words and heart that can wound other's hearts with saying bad words or create happy inspiring peaceful powerful emotions to our heart and other hearts when we loving kind words which are healing because it is the Word of God who is Jesus who is Love. Love can conquers anything because it is Jesus, the Word of God in flesh.

True gems of knowledge. Watch your words as they have power in heaven and earth. Remember how Jesus defeated Satan. By using God's own words you and I can do the same. A very quick read. Every word has a purpose no fillers in this book. Deserves 10 stars.

This book is wonderful!! Every Christian should read and understand the power of the tongue and your words! I learned from an early age before I was a Christian the power of my words! I would always wonder why I said things and they would come true. Well that's because God has given us authority over this world with power in our mouth. Stop saying what you have!! Confess God's word over your life!! Life and death in the tongue. Speak life!

This book will change your entire life..I have been quoting the words in this book for years and since

life n death are in the power of the tongue...I know that's why does have opened and ways have been made for me...it's powerful..the word of god is powerful and quicker than any two edged sword..I'm telling YOU.. I got this book memorized and whenever I feel any kind of way..I just start spitting these words out until I feel the accounting rain sheen up on me .until I feel every demonic force and strong hold back up off me...get the book and use it like a weapon

I have ordered God's Creative Power several times before from . Every time I have received my full order, except for this last time. I ordered 3 God's Creative Power books and only received 1 book. Inside the package there wasn't any kind of paper giving the name and phone number to call if there was a problem with the order. My only disappointment was that I received 1 of the 3 books I ordered. I would appreciate it very much if the Fulfillment Services in North Las Vegas, NV would sent the remaining 2 books that I originally ordered.

For those into the "Law of Attraction" by Abraham Hicks, this is the information that is real. It derived from the Holy Bible and was published in 2009. I have friends going down the "New Age" road with Hicks writings, but this is the true explanation for believers. Thank you for having this in stock! Love it, easy read and small enough to share.

Easy to read and to understand. Clear, simple, practical instruction. Had no idea the words I spoke, had such an impact on many of my situationsMuch needed work of correction & redirection of the saints. Very useful tool, which I started using immediately.
