# The New Interpreter's Bible Index

## Synopsis

The New Interpreter's Bible Index (NIB Index) is the definitive reference guide to the major subjects, names, and places discussed in the New Interpreter's Bible: A Commentary in Twelve Volumes (NIB). The NIB Index continues the NIB tradition of providing the best in contemporary biblical scholarship for the service of the church, through the enhancement of preaching, teaching, and the study of the Scriptures. The design of the NIB Index, like that of the NIB, was shaped by two controlling principles: (1) form serves function, and (2) maximum ease of use. The NIB Index allows fast and easy access to all twelve volumes of the NIB, resulting in optimum use of the commentary. Now the reader can search for and find references to and in-depth discussions on a wide variety of topics, including the NIB's visual aids as well as its text. Focusing on those entries that address a topic substantially and advance discussion significantly for the reader's needs produced the following indexes:

- Subjects and Themes
- Ancient Literature
- Persons in the Bible
- Persons Outside the Bible
- Places in the Bible
- Places Outside the Bible
- Biblical Languages: Hebrew and Greek
- Lists of Maps, Charts, Illustrations, and Abbreviations
- Excursuses (further expositions of biblical topics)
- Reference Lists from the Bible (for example, prayers in the Bible and names of women in the Bible). Arrangement of the indexed terms is appropriate for students, teachers, and preachers of the Scriptures. For example: Main Headings that are relevant to the interests of the reader Cross-References to guide the reader to related areas of interest Format that is easy to read with clear, large type Accuracy in page references Scope that encompasses from names, places, and themes, to Greek and Hebrew words with their translations.~

## Book Information

Hardcover: 544 pages

Publisher: Abingdon Press (May 1, 2004)

Language: English

ISBN-10: 0687039169

ISBN-13: 978-0687039166

Product Dimensions: 10.5 x 7.8 x 1.2 inches

Shipping Weight: 2.5 pounds

Average Customer Review: 5.0 out of 5 stars 4 customer reviews

Best Sellers Rank: #1,829,037 in Books (See Top 100 in Books) #94 in Books > Reference > Writing, Research & Publishing Guides > Publishing & Books > Bibliographies & Indexes > Religion #7908 in Books > Christian Books & Bibles > Bible Study & Reference > Criticism & Interpretation #8364 in Books > Christian Books & Bibles > Bible Study & Reference > Commentaries

## Customer Reviews

Needed it and it is a library edition but it was as described!

The New Interpreter's Bible series is outstanding. I am a full-time minister, and I would rate this the number one commentary series available. The index is a very useful component of this series.

I am a seminary student who drives down to the school library to use these books for every paper I write. Though they are costly, it's cheaper than the gas cost added up. A must for any student.

The New Interpreter's Bible is a twelve-volume series, updating the popular Interpreter's Bible from a few decades ago. There are several key features common to all of the volumes of this series. First, each includes a two-column, double translation of the Biblical text (NIV - New International Version, and NRSV - New Revised Standard Version) arranged by topical unit or story. Then, they provide commentaries that look at the passages as a whole, as well as verse-by-verse. Third, interesting Reflection pieces that relate the passages to each other, to history, and to current concerns occur at the conclusion of each passage. Fourth, introductory articles for each book are provided that discuss transmission, historical background, cultural setting, literary concerns, and current scholarship. Finally, there are general articles about the Bible, each Testament, and various types of literature (Narrative, Gospel, Wisdom Literature, etc.) are provided to give general placement and knowledge about the text overall. The list of contributors, editors, and consultants on the project is a veritable Who's Who of biblical and theological scholarship, representing all major traditions and schools of thought liberal and conservative. Leander Keck, of the Yale Divinity School, is the primary editor of the series. The volumes were published individually, and can be purchased individually, which is a good thing, given that they are a bit expensive. But for any serious biblical scholar, preacher, student, or enthusiast, they are invaluable. High praise goes to the general editorial staff for working with such strong authors/scholars, that their work fits together well.

as part of this set while retaining their individual characteristics (much like the writers of the Bible itself!). This is an index volume for the twelve-volume set; as such, it is helpful but not absolutely necessary for the user to use the set. For scholars and students, however, this is very helpful.--Other volumes available--The following is a list of each volume in this twelve-volume set, and the contents of each.

Volume I: General Articles on the Bible; General Articles on the Old Testament; Genesis; Exodus; Leviticus

Volume II: Numbers; Deuteronomy; Introduction to Narrative Literature; Joshua; Judges; Ruth; I & II Samuel

Volume III: I & II Kings; I & II Chronicles; Ezra, Nehemiah; Esther; Additions to Esther; Tobit; Judith

Volume IV: I & II Maccabees; Introduction to Hebrew Poetry; Job; Psalms

Volume V: Introduction to Wisdom Literature; Proverbs; Ecclesiastes; Song of Songs; Book of Wisdom; Sirach

Volume VI: Introduction to Prophetic Literature; Isaiah; Jeremiah; Baruch; Letter of Jeremiah; Lamentations; Ezekiel

Volume VII: Introduction to Apocalyptic Literature; Daniel; Additions to Daniel; Hosea; Joel; Amos; Obadiah; Johan; Micah; Nahum; Habakkuk; Zephaniah; Haggai; Zechariah; Malachi

Volume VIII: General Articles on the New Testament; Matthew; Mark

Volume IX: Luke; John

Volume X: Acts; Introduction to Epistolary Literature; Romans, I Corinthians

Volume XI: II Corinthians; Galatians; Ephesians; Philippians; Colossians; I & II Thessalonians; I & II Timothy; Titus; Philemon

Volume XII: Hebrews; James; I & II Peter; I, II & III John; Jude; Revelation
