Umbrella Man (Umbrella Man Trilogy Book 1)

Synopsis

In your dream, no one can hear you scream. When the body of the teenage boy, Julian Long, is discovered in the Green Swamps of Florida, the citizens of Bushlake know the city will never be the same again. Julian was popular, loved by all, and the circumstances of his death are more than strange. What secrets is the boy in the swamps hiding? Stephanie Boulder has returned to the town after fifteen years to take care of her grandmother, who is terminally ill. She writes for the local paper and as soon as she starts digging into the story of Julian Long, she discovers secrets deep within the town's history. Secrets so cruel, so profoundly buried, uncovering them will put her life in grave danger. What if dreams weren't just dreams? Would you dare to sleep again? Desperate for answers, Stephanie embarks on a journey that spans beyond her beliefs, heading towards a terrifying nightmare, trying to figure out who the Umbrella Man is. Umbrella Man is a page-turning supernatural thriller from the Queen of Scream, Willow Rose. It is fast paced and packed with suspense. This is one book you don't want to miss. Fans of Stephen King, Blake Crouch, Paula Hawkins, Kendra Elliot and Robert Dugoni will be gripped by this page-turning supernatural thriller, guaranteed to keep you reading till the next morning. What everyone is saying about Umbrella Man: "Best Willow Rose to date" Debbie D'Action, suspense, and just creepy enough to make you leave a light on. Willow Rose has another winner! Umbrella Man ropes you in, pulls you under, and doesn't let go until you are breathless. "I was immediately drawn in by the superb plot and character developments, with no wasted words or descriptions. I highly recommend this and this being the first book of author Willow Rose I've read, I plan on going back to read all I've missed." D. Slowey-Thomas "This was a breathtaking story!" What if Every Nightmare You Ever Had Was True? That's a nightmare in itself, isn't it? Intermittent glimpses into a family life that's just odd until all the pieces are woven together make the nightmare that much more terrifying. Ms. Rose's best book to date, and I know she will only get better with every book! "Made up in an Umbrella Man maybe Willow Rose's best story yet! The story line is smooth and goes quickly. The characters are believable and with all her thrillers.....it is scary!" Bev Powers THE QUEEN OF SCREAM EVEN SCARES YOU IN YOUR DREAMS! "One of the things I liked about this book is that the main crusader against the spreading evil was a woman. She was powerful yet totally supportive of family and friends. Of course the main reason I liked this book was the scare factor which was nicely presented and resolved. Definitely creepy. Excellent writing!" Val "This mystery kept me going until the end, always a twist always a turn. You will not be disappointed. Willow Rose continues her name as "The Queen Of Scream"! Not One Dull Page!!!!" Cy "Another Winner for Willow Rose!" LGB Willow Rose does it again. Umbrella Man is

another page turner of the high quality I've come to expect from Willow. I love all the characters and could read about them all over and over. I always become emotionally invested in her books and Umbrella Man doesn't disappoint. If you love strange and thrilling as well as chilling reading this is the book for you. I highly recommend this book and if you're an avid reader like myself you'll be picking up everything you can find by this author, her gift for spinning tales is amazing.' This is could be Willow Rose's best book to date. I read almost nonstop, I had to sleep and work, it was that good. What happens when you wake up from a dream and the world you wake up to isn't the world you belong in? That is how the book starts and it just gets better from there. The home town high school idol is found dead his the girl he was with comes back speaking a language she shouldn't know. With a Seminole Indian newly arrived in town with his daughter the only one who can translate. Then there is strange little Gubba, where does he fit in? Twists and turns and a lot of make you wonder moments. A great book for Willow Rose, I look forward to more like this.

Willow Rose has another winner! Umbrella Man ropes you in, pulls you under, and doesn't let go until you are breathless. Don't start this on a weeknight - you may not be able to put it down. The plot is tight, surprising, and believable. No spoilers here... if you want to know what happens BUY IT. You won't be sorry!

This was a breathtaking story! Unfortunately I started late in the evening and couldn't stop until the final page. 5:30am! This is a taut and feasible plot taking place in central Florida, which was the main reason I got this as I live there. I was immediately drawn in by the superb plot and character developments, with no wasted words or descriptions. I highly recommend this and this being the first book of author Willow Rose I've read, I plan on going back to read all I've missed.

Normally I love everything written by Willow Rose but this book while good, to me was not up to her usual standards. Instead of having one plot going, there are three within this story, a very difficult task indeed. The constant back and forth between past, present and other was interesting also made it easy to figure out who the villain is and where he is as you read. I am use to a more clear cut answer at the end of one of her books. In this was anything really solved? There is more to the story and I would like to know the answers to my questions (I don't post the questions as I do not like to reveal too much about a book I review). When you read this and anyone that likes mysteries, should read this you will understand. When will the second book be out? With this one book you have hopefully a vast area to explore with other books to come.

Hard to follow sometimes, so better to read by yourself with no outside distractions!! I can't believe how well I did, but I couldn't completely remember every character in the three different layers of time. It's still awesome, because, well, Willow is awesome! Lol. What would make it easier for us readers, is a cast of characters list with a short bio. Update the list in new chapters when needed? One thing to mention is, I LOVED the storyline! It is worth buying!

Umbrella Man maybe Willow Rose's best story yet! The story line is smooth and goes quickly. The characters are believe-able and with all her thrillers.....it is scary! Don't miss out on this great story! Get it while it is on sale!!! Hurry do it now!

This is another screaming, spine tingling thriller by Willow Rose, also known as The Queen of Scream! The body of a teenage boy, Julian Long, is found in the Green Swamps of Florida. He was

well liked in Bushlake and life in the town will never be the same. Stephanie Boulder, after 15 years, has returned to her town to care for her grandmother. She's a writer for the local paper and digs deep into the story of Julian Long. The more secrets she learns, the more her life becomes endangered. Her life turns into nightmares of The Umbrella Man. Highly recommend, you'll be impressed and want to read all books by Willow Rose.

If you like scary stories you will enjoy this well written story with believable characters. While the scare starts out with a nightmare it quickly changes people's lives into something that makes them miserable and/or insane. And then the nightmare becomes contagious. After all the main characters living in a small town are effected there are only a few citizens left to fight. One of the things I liked about this book is that the main crusader against the spreading evil was a woman. She was powerful yet totally supportive of family and friends. Of course the main reason I liked this book was the scare factor which was nicely presented and resolved. Definitely creepy.
