Beginning Cursive: Daily Handwriting Practice Worksheets

Synopsis

The Beginning Cursive: Daily Handwriting Practice Workbook, provides extensive focus on cursive letter formation. Practicing cursive handwriting on a daily basis will expand a student's understanding of the concepts of written language. When cursive handwriting is practiced daily, spacing between words becomes more consistent. Teachers and parents can use the Beginning Cursive: Daily Handwriting Practice Worksheets to utilize hand-over-hand guidance techniques that will help students make correct cursive letter strokes. Guided lines have been provided in this handwriting workbook to teach correct cursive letter formation and word spacing quickly and effectively. This cursive handwriting book is perfect for improving cursive penmanship. It's a great cursive writing resource for the homeschool classroom as well as public and private 1st grade, 2nd grade, and 3rd grade classrooms. It's a great companion to printed alphabet handwriting programs such as Zaner-Bloser, Handwriting Without Tears and Kumon. The Beginning Cursive: Daily Handwriting Practice Worksheets are superior to traditional one-page online cursive penmanship worksheets because it gives students a chance to get used to using a full-size (8.5x11) workbook format - the same type used in classrooms.
