Sports Illustrated Hockey's Greatest

Synopsis

There is no greater authority on all things sports than Sports Illustrated magazine. Now, they turn their expert eye to the action on the ice in the fourth book in the bestselling "Greatest" Series with Hockey's Greatest, which takes you onto the ice and into history like no other book about hockey ever has. Who is the greatest goalie of all-time, Patrick Roy or Dominik Hasek? Where does Martin Brodeur land in the rankings? Would fans select Sidney Crosby or Mario Lemieux as the better center? Sports Illustrated has polled its hockey experts to determine the top 10 in more than 15 categories, including best rivalry, best single-season team, and best game in history. SI's stunning photography and classic stories from the Sports Illustrated archives accompany every ranking, making this the most authoritative survey of the sport of hockey available, and the perfect gift for anyone who revels in the fast-paced, oftentimes bloody action on the ice.
