Patti J. Marinelli has had a distinguished career teaching Spanish at the University of South Carolina. The recipient of many university awards, she also was named Teacher of the Year by the South Carolina Foreign Language Teachers' Association in 2008. She has extensive experience coordinating the introductory Spanish program and mentoring graduate teaching assistants at the university. Marinelli has authored two other Spanish textbooks, including the best-selling high beginner textbook Puentes. Both her teaching and writing are informed by her experiences as a certified ACTFL OPI tester and her expertise in standards-based instruction. Lizette Mujica Laughlin, a native of Cuba, is a graduate of the University of South Carolina, where she has been on the faculty for more than 20 years. She is an ACTFL-certified oral and writing proficiency tester/trainer in Spanish/English. Her proficiency training has played a pivotal role in her professional development, for example, as upper-level course coordinator at the University of South Carolina, author, and

tester/trainer for ACTFL.

Really helped me with my Spanish class.

It was cheap and exactly what I needed. I signed up for a student account and got my book in 2 days with no extra shipping charge.

The book shipped very quickly, however it was missing a "book code" which in turn cost me an extra \$60.00. A little perturbed, but at least I made an A in the class
