What The Night Sings

Synopsis

For fans of The Book Thief and The Boy in the Striped Pajamas comes a lushly illustrated novel about a teen Holocaust survivor, who must come to terms with who she is and how to rebuild her life. After losing her family and everything she knew in the Nazi concentration camps, Gerta is finally liberated, only to find herself completely alone. Without her Papa, her music, or even her true identity, she must move past the task of surviving and onto living her life. In the displaced persons camp where she is staying, Gerta meets Lev, a fellow teen survivor who she just might be falling for, despite her feelings for someone else. With a newfound Jewish identity she never knew she had, and a return to the life of music she thought she lost forever, Gerta must choose how to build a new future.
