ISBN-13: 978-0898867947

Product Dimensions: 9 x 8.5 x 0.6 inches

Shipping Weight: 1 pounds

Average Customer Review: 4.3 out of 5 stars 9 customer reviews

Best Sellers Rank: #552,859 in Books (See Top 100 in Books) #9 in [Books > Travel > United States > Oregon > General](#) #474 in [Books > Travel > Food, Lodging & Transportation > Parks & Campgrounds](#) #1483 in [Books > Sports & Outdoors > Hiking & Camping > Excursion Guides](#)

## Customer Reviews

The book took some work, it is well written and illustrated and mostly accurate from what I can see of the local state parks mentioned. All that said, I did not get any information from it that I could not get from free publication from the State Parks themselves. If you intend to visit a number of Oregon State Parks at a time then this may be a good one stop publication that has a little back round information such as " one of the few State Parks not to have a sign at the entrance" (Bolen Island, actually it does)but all the pertinent information you need is available from Oregon State Parks for free.

Great tool for your trip

Not as complete as I would have liked. It needed more detailed maps and driving directions. Over all a good book to use

We will enjoy the Oregon State Parks guide book and look forward to using it when summer arrives.

We have used a few of the parks in the past.

We needed a book that had all the Oregon State parks and found this one. It shows where parks are what the amenities are and works great for us.

older book, but it was well worth the purchase. I know which area to camp then look for a park.

We recently returned from a vacation in Oregon and found the book on Oregon State Parks very helpful. Oregon uses lottery money to build new parks, refurbish old parks, build new playgrounds in the parks and provide full hookups at a minimal cost.

My niece loved it.
