## Customer Reviews

Excellent guide for our trip to Cape Town and the surrounding areas. Lots of good information and ideas for places to stay and restaurants.

I just spent one week in Cape Town and found this guide to be extremely helpful in orienting myself within the city and choosing my activities. I also had access to a companion's Lonely Planet, but liked this one better. Of course, the book has a lot more material than I could do justice to in one week, but it was a great help and I will also be sure take it along when I visit next!

Excellent guide that has everything you need to explore this city.

Came in time for my trip. Good resource.

I'm not usually a huge fan of the Rough Guides, but their Cape Town guide suits me to a T. Full of accessible, practical, helpful information.

the gift receiver says she will really enjoy it

Very nice book! Beyond my expectation!

The information provided is not as extensive as many other guides such as Lonely Planet. I will take the book on my trip but don't expect to rely on it very often.
