# Happiness, Love, And Liberation: Insights And Teachings From Buddhist Psychology

## Synopsis

Real-World Training in "The Practice of Happiness" with Thich Nhat Hanh. Look deeply into the nature of the mind and you will find the seeds of true happiness and freedom. This was the Buddha's great realization - and it is a discovery that you, too, can make in any moment. With Happiness, Love, and Liberation, you will join Thich Nhat Hanh for seven sessions of advanced teachings and rare insights discovered throughout his seven-decade inquiry into the truths of Buddhist psychology. Understanding the Roots of Suffering - the First Step Toward Freedom. What are the ingredients for a life of genuine happiness? According to Thich Nhat Hanh, happiness only arises through a deep understanding of the roots of suffering - and through the cultivation of joy, love, and compassion that comes with daily practice of mindfulness and meditation. Offering in-depth instruction in applying foundational Buddhist principles backed by modern science, he provides inspiration and support for healing the habits that lead to suffering and opening to the miracle of life in the here and now. From guidance to sitting and walking meditation to an examination of key Buddhist teachings including the Diamond Sutra, the Heart Sutra, and much more, these seven audio-learning sessions are intended to help us release our worries about past and future - and start living with ease in joyful recognition of the gifts of the present moment. Highlights: How mindfulness and concentration generate happiness and joy Meditation as an antidote to agitation and anxiety Four basic breathing exercises for accessing peace at any time Releasing concepts that lead to suffering "Every step a miracle" - the art of walking meditation Our intimate connection to our "spiritual ancestors The evolution of science and philosophy Zen practice: toward a fuller understanding of reality
