Requiem (The Seraphim Series Book 3)

Synopsis

Book 3 Lilliah was gone, dead. And he had been the one to kill her. The Devil had made him his puppet, forcing him to do the unthinkable. Now Azrael was left with the devastation and a world crumbling around him. With Lucifer's army getting stronger, now wasn't the time to mourn. Now was the time to fight. He'd once again go up against Lucifer, this time finishing what Lilliah started. Then, somehow, after it was all over, he'd get her back

Sophia Stafford is an AMAZING AUTHOR and I am so sad this series has come to an end. The challenges these characters partake is a thrilling page turning experience right from the start. I am now a HUGE and FAITHFUL fan to Sophia Stafford and cannot wait to see what she has in store for us all NEXT !!! PLEASE DON'T miss out on this well crafted series, I finished each book in one sitting and waited patiently for each new book to be released. The characters are EXCEPTIONAL and I know you will fall in love with them as much as I did. The way Sophia Stafford crafted this series just makes more Hungry and excited for the next book she releases. I promise you will not be disappointed whatsoever, and you will only be craving more by the end.

Having anxiously awaited the arrival of this book, I would never have dreamed that it could have gotten much better than the first two in the series. I was left mouth agape on multiple occasions and sincerely hope that this isn't the absolute last time we will read of Lilliah and Azrael (amongst a long list of unforgettable characters)! I will be re-reading this series again!

I must say this is one of the best series I've read in a very long time. To the point I was aching for book 3 to be released. Sophia, you did an AWESOME job tying up the end of the series. I bow down to you. To anyone who hasn't read the series, what are you waiting for...
