Author Angel Anderson has written a Puerto Rican cookbook filled with recipes from the heart as he's shared recipes from his Grandma Rosa in this cookbook. I look forward to trying family-style Puerto Rican recipes as I would like to prepare the author's recipes for my Puerto Rican relatives when they visit. Thank you Angel for giving me the opportunity to look like I know what I am doing thanks to your recipes. Some of the recipes you will find in this cookbook include: Bistec Encebollao (Steak marinated in spices) Chicken and Rice Soup Arroz con Dulce (Rice Pudding with coconut and spices) Recommend.

The recipes in this book are all what my mother would prepare for our family over the years as we were growing up. My mom is not with us anymore but with this book I can trust myself to do a good job. Thank you. Jenny00985@aol.com

I am not qualified to say these are authentic but my DIL is from Puerto Rico and she loved the recipes in here. She said a few brought back memories of dishes she had forgotten and she enjoyed making them again!

The recipes reminded me of my grandma's cooking and spending summers with her when I was little. Now if only I could master them!

This was a treasure for me to find since my entire extended family loves when I make a Latino dish. We are mainly Italian but travel to many different countries and like to eat different foods.

great service very nice cook book.Thanks

I found the recipes in this book very unique. If you are of German and Scandinavian decent, this cookbook is bound to be about as opposite as you can get! Great read!

Is a very simple book, was expecting more and better content.
