Napoleon: A Symbol For An Age: A Brief History With Documents (Bedford Series In History & Culture (Paperback))

Synopsis

By calming revolutionary turbulence while preserving fundamental gains of 1789, Napoleon Bonaparte laid the foundations of modern France. But his impact reached beyond France's borders as well. His legacy of war, civil rights, exploitation, and national awakening reshaped identities across the European continent, while in the Atlantic world he destroyed the colonial order and helped plant the seeds of American power. In this collection of wide-ranging primary sources including confidential memoranda and correspondence, speeches, memoirs, letters, police reports, and songs, most of which appear in English translation for the first time Rafe Blaufarb situates Napoleon within his time while opening a broad perspective on the nature and impact of Napoleonic rule. His introduction provides a narrative of Napoleon's rise and fall and frames the key issues of Napoleon's life and times. Useful pedagogical tools include maps, illustrations, a chronology, questions for consideration, and a selected bibliography.

RAFE BLAUFARB (Ph.D., University of Michigan) is Ben Weider Eminent Scholar Chair in Napoleonic History and the Director of the Institute on Napoleon and the French Revolution at Florida State University. He is the author of *The French Army, 1750-1820: Careers, Talent, Merit* (2002) and *Bonapartists in the Borderlands: French Refugees and Exiles on the Gulf Coast, 1815-1835* (2005) and has published articles in *Annales*, *H.S.S.*, *French Historical Studies*, *French History Studies*, *Comparative Studies in Society and History*, *Revue d'histoire moderne et*

contemporaine, and Annales historiques de la Révolution Française. He has taught at the Université Paul-Valéry III (Montpellier) and he has received fellowships and research grants from the NEH, Mellon Foundation, and Camargo Foundation, as well as a Bourse Chateaubriand. "

As a history major specializing in France, Napoleon was bound to be a figure that I would encounter. This book is an interesting collection of information. The first part of the book is a brief history of Napoleon and his actions, while the second part consists of various letters and documents. Most documents have a bit of a preface to help the reader place the document in regards to the historical time period it is happening. My class read this book together and it was a hit. I recommend this to people interested in Napoleon or professors looking for a short, but informative reading assignment.

Combination of narrative overview and actual documents provides a first-hand glimpse to the sentiments of the time; its' most charismatic leader; his effect over others and their opinion of him. It can serve as the take-off point for more study and investigation; So it serves both those who wish a more in depth look as well as those who are preparing to delve into the subject.

Great book and delivered quickly!

The book was received as advertised, and I am happy with it's condition. I am also very pleased at the timely manner in which I received the book. I am very satisfied.
