Score for Piano. Fifteenth Edition. With reproductions of portraits and manuscripts.

The Ultimate Authoritative Edition for all things Chopin!! Typesetting clear and spacious, really helpful fingering suggestions (doesn't fit all but really gives a point of reference to all). There is more i can say but it will take forever to read through....JUST GET THIS EDITION. Worth every penny. I got mine through PB Shop and the delivery was in good time, and economical in price!!! So for those whose need a few bucks shed from the retail price without compromising quality..... PB shop is one of many options. Just what i expected!!

I nearly have every Paderewski edition of Chopin, and there's a reason for this. They are well annotated and easy to read. I recommend them to anyone looking to expand Chopin in their library.

Great.

Very visible score with clear and concise editing.

Great. Arrive on time.
