Synopsis

The dot grid journal book with numbered pages for all smart creatives and bullet journalists! As glossy as real marble. This marble design dot grid book comes with all these wonderful features; Stunning natural marble design cover of both back and front. Glossy laminated finish that helps repel liquid and toughens the paperback cover. Book industry perfect binding with spine (the same standard binding as the paperbacks in your local library). A5 size 5.83Ã¢ Ã• x 8.27Ã¢ Ã• inches, which is the most popular size of dot grid notebooks for bullet journalists and creatives, due to its portability and the versatility of use. 140 dot-grid pages on white paper that is thicker than general notebooks. (Extra blank sheets may still be required in case of using with some marker pens.) Medium spacing (0.28 inches) between each dot, which is the same as Medium ruled standardized formats of ruled papers, so you can rest assured you are about to write in the space that you are most familiar with. All dots are in light gray, which is easier on the eyes, and less distracting when you write, while they can still guide your writing perfectly. Every page comes with its page number at the bottom, with enough space to write next connecting pages if you do threading or connect with other journals. The page numbers also allow you to make table of contents, or index, with ease, saving tons of time! Dot grid makes it easy to write in straight lines but also allows you to do things sideways, diagonally, or even free form. Ideal for bullet journaling and other dynamic note-taking methods, because of its flexibility to different layouts!
