Preparing For Eternity

Synopsis

The book presents an objective contrast between the traditions of the Roman Catholic Church and the Word of God. It is an excellent discipleship manual for Roman Catholics who have not discovered the narrow road that leads to eternal life. The book prepares the reader for eternity by showing how the Lord Jesus Christ is sufficient to save sinners completely and forever. The author knows his subject well, having spent 37 years in the Catholic religion. He presents the truth in love with compassion for those who are where he once was, destined for a Christless-eternity and not even aware of it.

Mike Gendron is a devoted follower of the Lord Jesus Christ and deeply concerned for the souls of men. --Dr. John Walvoord, Chancellor, Dallas Theological Seminary
Mike Gendron will challenge you with a message that is unique in its courage as well as its insight. --Dr. Page Patterson, President, Southern Baptist Convention
Mike's motivation is not to condemn but to provide deliverance from faith in a religion to faith in Jesus. --Dr. Dave Reagan, Evangelist, Lamb and Lion Ministry

For over 34 years, Evangelist Mike Gendron was a devout Roman Catholic and a strong defender of the "one true church." He was taught from a very early age, to trust and rely on the church, its priests, the sacraments and his own good works for salvation. However in 1981 while attending an evangelical seminar, he realized the Bible is the supreme authority for knowing truth. His new excitement and hunger for the inspired word of God led him to help organize the very first Little

Rock Scripture Study at a Catholic Church in Dallas. Mike soon realized that many of the teachings and traditions of the Catholic religion were not found in the Bible. After more study he discovered the Roman Catholic plan of salvation was diametrically opposed to the Gospel of grace revealed in the Bible. This led to a crisis of faith. Should he trust Christ and His Word or the teachings and traditions of his religion? He knew he could not believe both. God granted him repentance and he exchanged his religion for a relationship with His all-sufficient Savior. After discerning that God seeks worshippers in spirit and truth, Mike left the Catholic Church in 1985 for a church where the true Gospel is proclaimed and Scripture is the final authority in all matters of faith and practice. In 1988 he left a successful career in corporate management to study at Dallas Theological Seminary. Four years later, during his last semester at DTS, Mike and his wife Jane's love for Catholics inspired them to begin a ministry that would point Catholics to the Lord Jesus Christ as their all-sufficient Savior. Their hearts are now burdened for those who may be where they were for most of their life - eternally condemned and not even aware of it.

I have read the Bible 4 times from Gen 1 to Rev 22 (combination of KJV and NKJV versions) and studied the book Catechism Of The Catholic Church 1994 extensively. Gendron has written an excellent analogy of the unbiblical teachings of the Catholic Church. He backs what he says entirely by quoting scripture from the Bible and not from his own opinions. If one studies what took place in the 100 years after Martin Luther pinned his 95 Theses by the Catholic Church to try to counter the truths exposed by Luther, it is amazing to see the frantic efforts of the Vatican to recover. I wish no ill will towards those who are of the Catholic faith but just say PICK UP THE BIBLE AND READ GOD'S WORDS FROM START TO FINISH THEN COMPARE IT TO THE CCC. For 1,500 years the Catholic Church has done a masterful job of blending minimums of truths with multitudes of untruths to maintain their power, control and most importantly their wealth.

A great book for those who not only need to witness to Catholics, but for many verses that encourage a Christian's faith.

This was quite a book, learned so much about the church....hoping that Catholics out there would read it also....written very well.... a lot of them, probably did not know the answers to a lot of questions, and Mike Gendron surely took the time, with scriptures to prove that the Bible is so definite regarding so many things that were not explained to them.

Good information and well written.

Never bought this. book

excellent book for Christians wavering in their Catholic upbringing. Removes the guilt for leaving the Catholic church for a Protestant church.

A superb book for explaining the true Gospel of salvation to any person and especially those who have been raised in the traditions of Roman Catholicism instead of God's word, the Bible.

Best book I have read for sometime.
