Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Good mix of easy and more difficult (but nothing too difficult). Good mix of old classics and new

stuff. Can't wait to get this book out next Christmas. Maybe I'll play some in the streets with a tip jar.
Nice book, great price!

Sooo many songs in this book and it filled me with joy to take this out and play it through the Christmas season. There is nothing overly complicated so it's great for beginners or someone like me who hadn't picked up their instrument in a few years.

I was hoping for more traditional Christmas music. It was mostly new, pop Christmas music featured with a few traditional songs. The traditional songs were very short.

All the classic Christmas tunes plus some that are lesser know -- but still fun to play.

All of the songs you will need and more are contained in this book. I enjoy playing the compositions. I am very happy with this purchase.

I bought this book as a christmas present for my dad and he loves it so much!

This has many more songs than I thoughtGreat buy

Arrived in good condition - is as advertised...
