## Customer Reviews

The Bubba Rose Biscuit Company was founded by Jessica Disbrow Talley and her husband, Eric Talley, to provide healthy, preservative-free treats for their dogs and their dogs' friends in Brooklyn, NY.

Many great healthy easy recipes for my four-legged friends.

I am excited to get to use this for Christmas. It was smaller than expected, but it will be okay!

Disclosure: I received this as a Christmas gift, I don't know if it was purchased on or not, but I figured I would come on here and leave a review to deter anyone else getting shafted by this cruddy product. The word "KIT" and the other wording on the outside of the box lead you to believe that this would include at least some of the ingredients to make some of these treats. Instead, there is just a

47 page booklet with 25 recipes and a cookie cutter in the traditional gingerbread man shape. The cookie cutter is nothing you couldn't get for \$.20 in the exit isle at the craft store...If you really need a recipe book, then this is fine, but the marketing on this is really misleading as it really isn't a kit.REALLY DISSAPPOINTED!
