Very cute for kids

My 5 yr old (at the time) loved this book and was able to complete the puzzles on her own without help from us. I wish they had a slightly older version that we could get her started on but will definitely buy again or buy similar when my youngest is ready.

Great for the little one that is just learning how to do crosswords. The clues are pictures and my 7yo only got a stuck on a couple of items. This kept her busy for a couple of days as she didn't want to put it down.

I bought this for my daughter who is 6. She seemed to enjoy this book. It was a fun way to help her sound out and spell words. She got it done super quick. I think it's a helpful fun tool to help with words and spelling.

This was a great first crossword for my kindergarten age granddaughter. Really easy to us although I wish it were longer.

I could never find beginning crossword puzzles for my 7 year old grandchild. How was I going to brainwash her into loving Xword as her Mom and I do. She picks them up and tries them on her own. Snagged! Thanks

Fun and simple crossword puzzles. I copy them and use them for my 1st esl students. They like to color the pictures in as well

Wanted a crossword puzzle for a 8yr. old and this one was not it. Did not seem to challenge her.
