## Customer Reviews

Helpful guide.

A grade school synopsis of characters activities from the series. Not really of much help. The links, what few there are fail to work, The last half are 50 questions from a game with NO answers (Sorry just found them in a resized screen, small print bottom of the page answers up to question 46. There is a link to buy the other half for \$5 for that book. Just another money grab, not really worth the bother. Luckily I got it free, so all I overpaid on is my time.

Fun book if you follow the series - good explanation. I didn't give it five stars because it doesn't go to season 6 where we are now and I didn't know that. I guess I should have read a little closer to see when it was published, etc.

Helped immensely catch me up on characters, have been watching six seasons starting with #3, 4, 5, 6, #1 & 2. So I didn't get characters and their info in order. Can't wait for season 7.

Excellent reader help in sequence and characters....very useful.....

Just got in to Game of Thrones and I wanted to know "who's who".....I have the book on my tablet/kindle app and I can look at it whenever I need to know who someone is and their story line. Very informative!

a who's who. good info

Great seller
