This book is the ultimate guide for Etsy and building your own business through Etsy. Building my own business is a great challenge for me because I am beginner in business and I wanted my shop become famous and popular to everyone. I was looking for a guide book to improve my business strategies and founding this book give me lots of idea on how I can become successful in my business. This book provides tips and strategies that make your shop more interesting and become popular to everyone. It will serves as a guide in any business to create stable strategies in pricing and marketing as well. This is a must read book for an entrepreneur.

This book has made me see the wonders of selling at Etsy. This is something new to me since I never looked at Etsy this way. All I thought is that it's a great place to shop. This book will really prove helpful, it started from the basic--setting up one's shop--until the point where the book gave some points on how to boost sales and maximize profits. And I also find the "Etsy Do's and Don'ts" handy and will come in very useful for everyone who will pursue this endeavor.

This is a great book that will help you expand your business on ETSY. If you are gifted with the talent to create "hand made" products, then this book is for you! Giving you access to the entire procedure on how to get started. It is very motivational. I highly recommend this book so that it can motivate you to get started right away. Great Read!!!

A simple and concise program to sell your creations on Etsy. I've made a number of great

purchases on Etsy and have always wondered how I could make extra money by doing it. If you have an existing craft business or are looking to start one, this is the way to bring your creativity to a global market. Filled with tips and tricks to streamline your entrepreneurial success, the author keeps it simple. Best of luck.

A well organised guide on developing an Etsy business. In general, almost similar to , Etsy is a website where people around the world connect both online and offline to make, sell and buy unique good. This marketplace focused on handmade or vintage items and supplies which includes unique factory-manufactured items. If you would like to know more about it, this guide may just be the right stuff for you. It explains in detail what Etsy is and how to navigate around the website. That aside, topics on developing your product, setting up a shop, the policies and pricing are also discussed. Recommended especially for an Etsy beginner.

Great tips for opening an ETSY shop.

The books provided the basic information needed to start an etsy store. Buyers should know that after reading the book they may also have to do some further reading on the Etsy website.

Very Simple book. No privileged information. Etsy website has all the information related of these book. Not surprised me.
