Synopsis

A Disney Princess bedtime-themed paperback storybook with flaps! All children have a bedtime routine. Maybe they comb their hair before bed. Maybe they sing a song while putting on their pajamas. Customer Reviews

I bought this for my friend's daughter who will be four this weekend. I love how short the stories are and I wasn't aware of this, but there are little hidden flaps throughout the book!

Cute book and great for those nights when you just want a quick bed time story! Not a great story line, but the pictures are beautiful and my 4 year old loves the book. However, it gives her the freedom to use her imagination and make up her own story! She loves saying goodnight to all the princesses!

Very cute book for little girls to read! The pull open tabs on the pages is a definite plus and a hit with

the 3-year-old who received this!

Who doesn't like a great princess book? Not me. This one is great.

One of my daughter's favorite bedtime stories.

This book is now part of our bedtime routine. Love that we say good night to each princess and lift the flap for each page. The pages are not board book material, but are thicker than regular paper pages. My LO has not ripped a page yet.

Sweet, loved the flaps. Paper psges, not a board book

The content is easy for my 2-year-old toddler to follow. In fact, most of the things that the princesses in the book do before going to bed is also what my toddler does before going to bed. So my toddler enjoys reading them over and over.
