Circle Of Friends: (Wild West Brides Of Bodie Series Book 1)

Synopsis

Clean and Wholesome American mail order bride historical western short story romance. By Bestselling Western Author Katie Wyatt. Carolina Steed persuades her New York friends to travel with her to the gold mining town of Bodie, a Wild West town that they are told needs nothing more than the good word of the Lord and the settling influence of marriageable young women. Who is Trixie Hurst and has she been completely honest with the girls? Should Carolina have asked more questions about Bodie before setting off on such an adventure? And is their chaperone Mr. Leigh the strong and sensible companion that they need him to be? Join Carolina and her five young friends as they embark on the journey of a lifetime to find themselves husbands and make successful lives on the new frontier of Northern California, only to discover a lot more waiting for them than they'd bargained for.

Customer Reviews

Interesting take on the mail order bride story line. Six young women from New York decide they have no hopes for marriage in their hometown and answer an advertisement in the newspaper for "strong, adventurous Christian women to marry local men and help the town to grow and improve". They arrive and find a crude and dirty town and men thinking they were a new group of prostitutes to work in the saloon. Book 2 will hopefully find the girls gaining a better perspective of the town and their future plans. It will be good to see what exciting things happen and if the girls find the men of their dreams.

A young lady read an advertisement for Mail Order Brides in the town of Bodie and convinced her friends that they would find husbands. The chaperone became ill and couldn't accompany them on the journey. They were robbed of their jewelry by bandits as they traveled. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me wondering what next for the characters. I will have to wait for the end result in another book.

I prefer books that continue to have a good breaking place
