This product was exactly what I was looking for. Fits perfectly in any purse and is a 2 year monthly view colorful calendar with equally large squares for all days of the week! (Unlike many pocket calendars that have decreased space for weekend days.) Thank you and please continue this product bi-yearly!

It's stylish and functional - the paper is nice and heavy. Like other reviewers have stated, it opens like a checkbook, and not a a reading book.

Just perfect for a pocket calendar that has plenty of room to write appointments

This will serve its purpose, but the crazy, stuck in my ways part of me REALLY wants to replace it for a vertical. Sad I have to look at horizontal for the next two years ;)

Like having a 2 year calendar. Just what I was looking for.

Plastic cover provides a pocket at front and back of calendar. The only improvement I can see would be to add December of the previous year. I love the colorful design of the cover.

Good two yr pocket calendar at a good price!

just what I was looking for ~ and cheap!
