Customer Reviews

I bought this as I am a Pianist. The music that was delivered was arranged for 3 trombones.... What a giant waste of money

This music is great. It's also kind of difficult. My favorite song is Harry's Wondrous World

Fun and lots of the memorable songs.

Gift for music teacher husband, and he loves it, this really is student friendly and fun he says

fast shipping, Satisfied. New to making homemade bread. it is recommend. as a gift to Tommy,

I bought it for my daughter and she's very happy with it.

I got this mainly so I could play the theme completely in both hands, and really enjoyed it. I played piano for maybe four years or so, though I quit lessons two or three years ago, so I found it challenging to play and actually can't reach some of the chords with my left hand. It's still a lot of fun to play, though, and I recommend it to all who enjoyed the music from the movie.

Great book at a great price. Highly recommended to everyone! Read it over night and wanted to read again today
