Customer Reviews

I never think of how to play lottery this way, the advise can motivate you every single day. Power of positive thinking is amazing!

I really enjoyed these tried and true tips for a better and luckier life. And as a slow reader I was

grateful for a short read. John includes little life hacks to stay positive and develop a winning attitude. Things like positive notes to yourself around your mirror or other places you'll see them, setting goals for your day, and visualizing what you'd do with a pile of money. Try a few of these suggestions and see if your life doesn't improve...whether you win the lottery or not!
