Accent On Achievement, B Flat Clarinet Book 1

Synopsis

Accent on Achievement is a revolutionary, best-selling band method that will excite and stimulate your students through full-color pages and the most complete collection of classics and world music in any band method. The comprehensive review cycle in books 1 & 2 will ensure that students remember what they learn and progress quickly. Also included are rhythm and rest exercises, chorales, scale exercises, and 11 full band arrangements among the first two books. Book 3 includes progressive technical, rhythmic studies and chorales in all 12 major and minor keys. Also included are lip slur exercises for increasing brass instrument range and flexibility. Accent on Achievement meets and exceeds the USA National Standards for music education, grades five through eight. This title is available in SmartMusic.

Customer Reviews

Good quality book and quick delivery. The reason why I took off a star was because it smells like cigarette smoke. This is for my 11 year step daughter's band class and I'm trying to get it out of the pages.

Just what we needed for our budding percussionist. Got here super fast and had the cd

great

My son uses this book at school in band class and requested that I buy this so he can practice at home. He is in 5th grade and just started playing the trombone this school year. He says it is a great book.

Good book for beginning flute. It is the one my professor requested. *ÀfÂ Ã Ä_Ã â,,çÃ â*

The CDs are nice to hear what it is you are supposed to sound like and to play along with after you get the piece down. Do get both book 1 and 2 if this is the series you are going to use. Once you get going, it doesn't take long to want more pieces to play.

The music teacher requested this book. Small short pieces that increase in difficulty as the kids progress. Not bad.

10/10 would buy again.
