4 STARS It was a great book cause I trapped and destroyed my friends and I owe it to the Ultimate Traps Handbook

This book helped me with my traps in Minecraft now I can trap my friends all I want THANK YOU
Adrian King!!!!

My son loves Minecraft and is also an avid reader. This book is perfect for him. He sat and read (and reread) about the numerous traps for hours, relaying what he had learned back to me. He then attempted to duplicate many of the traps on his own, with some success. Of course, we only have the PE version, so we're still awaiting for other features to be added. Once they're in the game, he'll have a blast creating the ultimate traps. Good price. Could be a little longer, but some of the traps are pretty creative.

It was ok but I did not understand a few of the traps. The Flaming Tree Trap does not work. Other than that it is Ok. ÅfÂ Ã Å,Ã ÆœÃ Â•

I got this minecraft book to help my son since he is so into this game. He is about half way through it already and says he has learned how to make several traps so far. If he is happy with it so am I.

This Book was the best one I have ever read it is really useful in many ways in Minecraft but the thing I really like about it is that I trapped and trolled my friend soooo bad

It will teach you how to make the best traps in the game minecraft, you will need lots of blocks though! Read it now. ÅfÂ Ã Å,Ã ÆœÃ Å super spy1008
