Look forward to every sweet occasion I'm in a place to enjoy a true Cuban cigar. That being said is does not happen as often as I'd like. This book has given me an opportunity to fine tune my wish list. Reads like most cigar reviews so seems very informative. It's actually opened my eyes to everyday cigars I currently smoke. Things I hadn't payed any attention to and has improved my enjoyment overall.

If you're a "cigar guy", this is a must have book in your cigar library.

I read it a passed it along to some friends to read. I now keep it as a reference.

Bought this as a Christmas gift for a family member and have gotten rave reviews.

Beautiful and informative book. I bought another copy for my son in law.

Two days ago, I ordered this book via \$20.23 The Ultimate Cigar Book: 4th Edition

https://www..com/dp/1632206579/ref=cm_sw_r_cp_api_OKPcybGWPDR0GI read this book in one sitting. Perhaps because I am newer to Cuban cigar smoking, and also very much because I am traveling to my homeland Cuba in December. I was able to enjoy all the sections of this book. It covers everything from the history of cigars, to the history of all the different brands. It also outlined each brand, its Vitolas, and a review of a cigar in every brand. I highly recommend this book to anyone who would like to have this kind of information handy. It's in his fourth edition, and it is hard bound, with very good quality paper and binding. No matter if you need a Cuban cigars like me, or an old timer like many of you, this is a good read, and a good book to share with others with our interest.

Okay book. Not as much detail about current and previous Cuban cigar brands.

I think of the price and the contents as very good goods.
