Customer Reviews

Son lost his required books for school band. Received in perfect condition and quickly. Very happy with purchase and band teacher isn't yelling at my son any more!

It's too bad that the Breeze Easy books are out of print. They are the best methods I have ever used with beginning instrumental music students. Glad that I can still find them

Thanks the book was in great condition and was a great price.. my son is so excited to be playing drums yet again...

This was the book my child needed for Band practice.
