Who Was J. R. R. Tolkien?

Synopsis

Best known for his epic *The Lord of the Rings* trilogy and *The Hobbit*, J.R.R. Tolkien was born in British-occupied South Africa. His early life was full of action and adventure. Tolkien spent his childhood roaming the British countryside with his family and could read and write by age four. He was naturally gifted with languages and used this skill as a signals officer in World War I as well as in his fantasy writing. By creating alternate universes and inventing languages in his work he demonstrated that imaginary realms were not just for children. Fondly remembered as the “Father of High Fantasy,” Tolkien’s books have inspired blockbuster movies and legions of fans.

Customer Reviews

Pamela Pollock and Meg Belviso are authors of several books in this series, including *Who Is George Lucas?* and *Who Was Susan B. Anthony?*

Who Was J. R. R. Tolkien? Deep inside a lonely mountain, a dragon sleeps on a mound of gold. Suddenly, he wakes. Someone has come to steal his treasure! Only a great warrior would do something so brave and foolish. Who dares to challenge him?

Great biography series that all kids will enjoy. My students (4th grade) can't seem to put them down. I've had them in my room for the last few years and they just eat them up. The content is easy to understand and it provides great information on each person/topic along with a timeline in the back. Great for parents and teachers alike.

My 10 year old daughter, a big "Lord of the Rings" fan, absolutely loved this biography.

This book was really interesting. I liked the flow and how everything fit together. I would have liked to hear more about what happened to his brother. But overall I would give this a four star rating.

Excellent book for kids doing a biography book report, my son's teacher was impressed with his report all due to this book.

Great book. My son loved it.

Exceptional book

love these books

The covers are the selling point
