Yay! Book 6! As usual, this is the greatest book of all time! I hope you make more books in the

future and plz don't quit any time soon! Thx!

It's a fun bed time series to read with my daughter. The story line is interesting and entertaining. There are some typos and grammar errors, but it's not too bad. I gave it for stars because the author is probably young and tried best at writing. Looking forward to the other books.

Steve and Bob are traveling to the secret mining spot to find gold to cure Cindy. Steve is about to start his extremely adventurous mining expedition. Keep making these books! Dawson
