Making Waves: A PrettyTOUGH Novel

Synopsis

It's summer break for the girls at Beachwood Academy and that means sun, surf, and sensational escapades at the Beachwood Country Club. Abby, a rising sophomore, is so excited to have gotten a last-minute gig as a lifeguard, especially because jobs are usually reserved for club members. Abby desperately wants to win the annual lifeguarding competition, and with it a college scholarship. But when she arrives for her first day on the job, she finds herself face-to-face with some serious club member attitude. And there's an even bigger surprise waiting for her: the gorge senior boy she's been pining over ever since they met at a swimming competition earlier this year. Can Abby break through the rules, regs, and mean girls to be the first-ever non-club member to win the summertime lifeguarding competition and maybe even the boy of her dreams?

This book was the opposite of a rotten tomato. It was fun and playful with lots of fun surprises. If you are thinking about reading this book go for it this book is amazing!!

I love this book and the series of tough girls. It really shows girls can do things that many people didn't think that they were strong enough to do or accomplish. This is a very inspirational series.

I just love the Pretty Tough series. Books with girls who play sports are always some of my favorite sort of reads, and Making Waves delivers an awesome read with some serious drama, lifeguarding, and friendship fun. It was really fun to get to know Abby in this one. I just love the characters in this series, and in Making Waves, quite a few new characters pop up. All the characters always have such a great story to tell. I just loved Brody. He was such a great guy. Making Waves holds a plot that was a ton of fun to read. Right away I was swept up into Abby's world. While there is a romance in this one, there also is focus on friendship as well, which is always lovely. I wanted there to be a bit more drama at the end. There was a really great build up of the plot throughout the whole book, but I felt like everything was a bit too simplistic. A must read for anyone who loves a good contemporary. Making Waves by Nicole Leigh Shepherd was a fast paced, all around fun kind of read. I look forward for the next installment in this series, as I just love it so much. It's a perfect blend of the beach, drama, romance, and some good old friendships.

I love the Pretty Tough series! MAKING WAVES IS AWESOME!! Definitely my new favorite. Brody is yummy! Don't judge this book by its cover... Its ah-mazing!!!!!!
