Customer Reviews

"At start, no has lyte. An Ceiling Cat sayz, i can haz lite? An lite wuz.4 An Ceiling Cat sawed teh lite, to seez stuffs, An splitted teh lite from dark but taht wuz ok cuz kittehs can see in teh dark An not tripz over nethin." â€¢ from the book

Martin Grondin lives in Lowell, MA.

Reading through the bible currently it is fun to take a break every now and then to look at this book. It is really funny while still being fairly accurate in its short adaptation of the bible. It has many cute

and funny pictures of cats. I would highly recommend this for anyone who has kids and you want to start introducing them to the bible without overwhelming them with the difficult language and inappropriateness of the actual bible.

I have to admit I only read a few stories, the Genesis account and the equivalent of the Jesus, passages. I couldn't stop laughing. Part of the reason is because like one reviewer I am a devout Christian and couldn't help like how this writer makes religion fun. The Bible is a serious book but I find no reason to have a little fun with it. God did make laughter after all. I also, and I could be wrong, but find nothing wrong with it in terms of theology at least. It tells stories, makes them funny, and let people enjoy. It stays away from the strong theology parts of the Bible such as John 14, which I have no problems with. It still is a work in progress so eh might include more about that stuff but for now, the stories are fine and funny. I also enjoyed how they even did the song, "Amazing Grace" and one other in lol cats form. For those who are not religious or have not experience with the Bible one may not get some of the humor, or have as much fun. I could be wrong in my assumption, forgive me if I am. I would still recommend people read it, if not for a good dose of lol cate.

I am a cat-loving evangelical Christian with a sense of humor. Having been on cat forums and following LOL cats for years, I am just jealous that I didn't know about this before - one of my cats was named for a bishop of the Free Methodist church, and BT "claimed" to be the leader of the Free Meowthodist church! So I thought this book was a lot of fun. Wish it weren't quite so off color in places. Nothing that adults can't handle, but too much for the kids. If you are capable of poking fun at yourself, your cats, and a laugh at a rather twisted retelling of some Bible stories, you will enjoy this. If you are not capable of those things, please don't read it. You won't like it. It isn't meant to be taken srsly, so please don't act like it was. Hope they will release some more stories!!

I ordered this as a present for my niece who just turned 11 years old. As soon as she opened it, she was caught reading some of the bible stories for the next 10 minutes! No one in the room could put it down! When you first get it, it seems very short with a lack of information. However, the amount of stories exceeded much over what I expected! Pros -Hilarious! You can make references to the real bible and compare, which is fun! It makes religion a little bit more fun when reading this, and then their minds are refreshed with the real story! Compact, but a lot of information! Cons -It takes a little getting used to when you first start reading it because of how it is written, but this isn't a big

problem!

Have some in your past used the Bible as a blunt instrument to beat you? This version will bring healing. It doesn't make fun of the full Bible, but rather brings fun to it. A fresh look can and does bring to mind past readings of the full Bible, with the encouragement of one of God's creatures, the humble house cat. Some of us need all the encouragement we can get. This is a very condensed version of the Bible, though mention is made of a more ambitious, more complete version projected, if there's enough interest from readers.

So don't be stuffy about it just because it's based off of Bible passages, ok? Honestly, I'm a Christian and I read the whole thing cover to cover and I didn't find anything offensive. It's just the LOLcat translation, haha! I gave it to my sister as a gift and she couldn't stop laughing the whole time she read it. Some folks might say this is making light of the Bible and using it for jokes and to that I say..Ceiling Cat maded hyewmur too, right? I remember when I was little I would watch these cartoons about things that happened in the Bible. Were those depictions 100% accurate? Heck no..who would let a 6-year-old watch Jesus get crucified with all the gory details?? And I doubt anyone was animated in those days either. But those cartoons were just a different way of telling the same story. I think that's all this book is trying to do.

This book is oozing with cute and perfect for a group reading, with the disclaimer that there may be peeing of pants from laughter. The selections from the Bible, rewritten in LOL cat, are entirely comical. Even devout christians have to appreciate the fun take on the Bible stories they know so well. The included meme-style pictures remind you just how much these sweet little kitties have won our hearts. This may be my new go-to gift for my religious friends.

We're having a lot of fun with this at work. I'm not fluid with LOLCat lingo, but I'm picking it up fast. I never knew cats were so spiritual! :-)
