Customer Reviews

The code would not let me register with my class on my Spanish lab. But it allowed me some type of access but I'm unable to use it with my class and the etext isn't working either. Hopefully I can figure it out.

Good!

Code key did not work. Jacket was open, and the original code had been removed. Replacement code did not work.

Perfect. Needed this in a hurry and it arrived EARLY.

I received wrong item, the access code was supposed to be for Mosaics, however i received Conexiones book. Beware!!!

It worked great & has the e-book. I was worried after reading some of the ratings that it might not work.

This access code worked perfectly with MySpanishLab. Hard to complain about a code, but it is unfortunate that many universities and community colleges require access to these websites just to do your homework.

Worked very well for my class.
