Moon Belize (Moon Handbooks)

Synopsis

This full-color guide includes vibrant photos and easy-to-use maps to help with trip planning. Travel writer, photographer, and Belize expert Lebawit Lily Girma knows the best ways to experience Belize—from the gorgeous beaches of the Northern Cayes to the lush countryside of Belmopan and Cayo. Girma offers a range of interesting activities for every traveler—such as waterfall rappelling at Bocawina National Park or attending the annual Chocolate Festival—as well as unique trip ideas such as the "Rhythms of Belize." Packed with information on dining, transportation, and accommodations, Moon Belize gives travelers the tools they need to create a more personal and memorable experience.

Born in Ethiopia, Lebawit Lily Girma was nine months old when her parents moved to the West African country of Côte d'Ivoire. She has loved travel ever since: exploring cultures, learning languages, and studying on several continents, including Europe and the Americas. After settling in the United States and practicing law for seven years, Lily took a leap of faith and went on sabbatical to pursue her true passions: travel, writing, and photography. After her first visit to Belize in 2010, she was determined to return. A year later, Lily was commissioned as an in-house writer and photographer for the Belize Tourism Board. She explored Belize extensively, sharing her adventures through a collection of over 100 online articles, blog posts, and photo essays. Belize's diverse cultures and people struck a chord with Lily and she eventually returned to Belize for long-term stays while researching freelance articles on the country. Lily's writing and

photography have been published by CNN Travel, BBC Travel, MorningCalm magazine, Every Day With Rachael Ray, The Travel Channel, AFAR, New York magazine, The Latin Kitchen, and American Way, among others. When not in the United States, Lily spends her time in Belize and other parts of the Caribbean.

I've been to Belize three times now since buying this guidebook only 6 months ago...it has gotten me through the country every single time! You can really tell the author knows Belize like the back of her hand, and her personal insight makes for a much more local experience. I've experienced restaurants, shops, and attractions I never would have encountered on my own, and clear details on what was already on my to-see list. Definitely recommend.

Ms. Girma leaves no stone unturned in providing helpful, entertaining, and intriguing information to help the reader get the most out of a trip to Belize. I have followed much of her advice as we plan our upcoming trip, and I think our experience will be enhanced by the extra insights provided by the book. This edition is a few years old, but I hope it will still be accurate.

I learned a few things I didn't know about Belize. All in all I consumed most of the book and got what I needed out of it.

Bought this and one other guidebook for Belize, well worth the purchase to get a sense of not just where to go and eat and stay, but also the local culture and people.

Helped plan our trip!

Great info for my upcoming trip. Quick shipping...delivered as promised!!

GREAT BOOK

Highly informative.
