love with the wakeboarding instructor, Todd. He was the one who taught Chelsea her passion at age fourteen, and now she is better than he is at his own sport! And now they are competing against each other at the Northwest Extreme Watersports Competition that is going to be held in the resort's part of the lake! But, over the summer, she meets a guy that likes her, so they begin going out, but she quickly realizes that the sparks just aren't there. But Sebastian, her boyfriend, makes her realize something important -- that she can make a guy like her. Will Chelsea be able to beat her crush at his own sport? Will the sparks ever fly between Sebastian and Chelsea? Will Todd ever think of Chelsea as more than a fierce competitor? Read this fun summer novel to find out! After reading **WAKING UP TO BOYS**, I even wanted to learn to wakeboard myself! Reviewed by: Taylor Rector

This is a really great book to buy for your daughter if you also plan to buy her thongs and a brazilian wax for her birthday. My sister read this book and loved it, which made me sad. The girl on the cover doesn't have a head. Its her body that matters and after flipping through the book I learned that the other, more important things that matter in life are cute popular boys. I highly recommend this book to anyone who considers herself an object.
